ment and the management.

MEN'S POLICE COURT

DEFYING GUN, BLOWS VICTIM TRAPS ROBBER

Youth Pleads Guilty to Attempted Hold-Up, Remanded for Sentence

Caught after he had slugged his prospective victim, who refused to "stick 'em up," even at the point of a loaded .38 revolver, Jack Mayson, 29, a youth from Penticton, B.C., pleaded guilty in men's police court to-day to a charge of attempted robvery while armed and was remended. very while armed and was remanded

to the 30th for sentence.

A companion escaped and police are now looking for him. Myer Axler, 56, proprietor of a men's furnishing store, at 484 Queen St. W., testified, "On April 12, at about 10 minutes to six, two men came in and asked for a raincoat. I was showing them one when Mayson pulled a revoluter. I said.

coat. I was showing them one when Mayson pulled a revolver. I said:
'Don't try to be funny about it; if you want the coat I'll give it to you.'
However, they said they wanted cash. I dashed down through the store and held the door, locking them in. Mayson came up and, when I wouldn't open the door, he slugged me a couple of times on the head. I am sure it was Mayson who hit me. I was stunned, but I yelled, 'Help, hold-up!' "

Corner of Clinton and Harbord Sts., on April 12. Joseph B. Thornhill was convicted of reckless driving in traffic court. "You did not tell the truth about this," said Magistrate Browne, recalling Thornhill had denied drinking on his first appearance in court on the charge. "You will be committed to jail for seven days. I am fining you \$25 and costs or 30 days and your permit will be cancelled for four months."

I was stunned, hold-up!"

Mike Donohue, who captured accused, said he heard Axler's cries and rushed to the scene.

"I saw two men running out," he section and forced it into the veranda section and forced it into the veranda house, the court was told. "I saw two men running out." he said. "I went to get them and I heard someone say. "Be careful, he

Admits Having Alcohol has a gun? I grappled with the man and grabbed the loaded revolver which accused had in his pocket. The other man got away."

Trapped by Raincoat A statement made by Mayson, who formerly worked in northern camps, said he went to the store with another man named "Jim."

We went there to get some money both for food and so I could get out

until a a customer had come out first. I asked to try on a raincoat. We went to the back of the store. When I got it on, I reached into my pocket and got out my fully loaded revolver. I said, 'stick 'em up! We mean business and want money.' However Axler dashed to the door and tried to lock us in. Jim and I dashed out to the door. Jim got there first and got away. However, someone graphed my reinvest and revolver. I said, 'stick 'em up! We mean business and want money. However Axler dashed to the door and tried to lock us in. Jim and I dashed out to the door. Jim got there first and got away. However, someone grabbed my raincoat and held me. I slugged two or three times, but I couldn't get away."

The three men who annyehended to the control of the control of the road holding up traffic. Cars were passing on both sides of him." Plending guilty to the charge, and held me. I slugged two or three times, but I couldn't get away."

The three men who annyehended to the door a grabbed and held in the control of the road holding up traffic. Cars were passing on both sides of him." Plending guilty to the charge of reckless driving. held me. I slugged two or three times, but I couldn't get away."

The three men who apprehended accused, George Finn. Murray Blustein and Mike Donohue, were commended by his worship.

Komonen Didn't Have It Very Dr. R. S. Pentecost Aids Girl Without Need of Operation

After being battered about Canada, making ends meet the best way he could for more than five years, Dave Komonen. Finnish distance runner, achieved the pinnacle of marathon desire yesterday when he ran the gruelling 26-mile Boston race and emerged victorious.

Komonen's victory did not come as a decided surprise. He was figured by many running experts to capture the event. As ? matter of fact he was split favorite to win along with Clarence DeMar, veteran U.S. macadam pounder.

Although not a naturalized Canadian citizen, Komonen has applied for citizenship papers and to use his

The coin had lodged about four inches down the guilet, about level with the breast bone. It seemed impossible to get it up or down, and the guillet started to swell. If the copper had slipped down into the stomach an operation might have been necessary. An X-ray located the coin. A general anaesthetic was administered and an aesophaguscope, an instru-

and an aesophaguscope, an instriction which has a tiny electric builb attached to the end of it, with another little claw-like attachment, was forced down the child's throat through a series of rubber tubes, Under the X-ray light the coin was visible. The claws got hold of the copper and it was drawn up and visine. The Glans are from or the copper and it was drawn up and removed. "It is a very rare and delicate treatment" a physician told The "It was a great relief to me." said Mrs. Dalglish. "My daughter is quite better to-day."

(Continued from Page One) policy which permitted such steps to be taken without reference to the minister vitally affected. this measure of relief would be forthcoming. But that hardly ends the incident. In coming out bluntly before caucus with his convictions. Mr. Gordon has broken the untrammelled rule of Mr. Bennett.
Were it someone else, Mr. Bennett's action might have been sud-

Bad Luck Follows
His string of successes, coming as they did so close to Olympic time awakened lost knowledge of him in Finland. They sent for him, asked him to run for Finland at the Olympic but of Finland at the Colympic but of Finland at the Bennett administration he has the Bennett administration he dogged his path and he failed to make the grade.

He returned to Toronto after that and built himself up again and carried off the Ward marathon in 1932. In 1933 he set a record no other runner has ever established. He won the Canadian and American distance is on record that never has any one handled the hyphenated immigra-tion - mines - and - colonization port-folios. When Senator Gideon Robertner has ever established. He won the Canadian and American distance championships in one year. with less controversy than under his direction.

acting minister of justice, acting solicitor-general and other things, but always the department has func-tioned smoothly. He has been the "G" string in the Bennett fiddle, as competent on the floor of the House as in his departments. In fact, Gordon's position is that of something that happens one decades. A man new to parliament, who drops in and acts as though he had been there all his life.

Mr. Bennett cannot guillotine Mr. Gordon for his courage without in viting resentment from many of his

"followers" who regard Mr. Gordon as a very distinct asset to the party and who, after the South Oxford and previous by-elections, are not so sure that in this day and age Mr. Bennett is not more of a liability to the party

Gordon, it is rumored, is still paying bury, and he's minister of mines, or a practising lawyer. The choice is up to Mr. Bennett
